If you started a new EI claim within the last 52 weeks and there are still weeks payable on that claim, we will automatically reactivate (renew) your existing claim.

What's next?

- We will mail you a **Benefit statement** indicating your **Access Code**. Access the Instructions on how to complete your reports with our **Internet Reporting Service** or our **Telephone Reporting Service**.
- If you had an EI claim within the last month, you will not receive a new Access Code in the mail. You can use the same Access Code that you previously used to complete your bi-weekly reports and access your EI claim information.
- After you apply for EI benefits, you must start completing bi-weekly reports using the Internet or Telephone Reporting Service as soon as you receive your Access Code in the mail. If you are eligible for benefits, no payments can be issued to you until you have submitted bi-weekly reports.
